What has been particularly effective about Geetika Nagpal's approach to teaching in this course?

• Very helpful and clear.

• Passion

• Geetika was a great TA. She always answered questions via email and was really good at explaining topics. Her TA sessions were where I learned the most.

• I didn't attend office frequently, but the times that I did go she seemed every knowledgeable.

• Geetika structured recitation around the needs of the student. She would begin each recitation encouraging students to reveal the most troubling parts of class material.

What specific advice would you have for Geetika Nagpal about changes that would enhance your learning?

• More practice problems.

• Nothing

• I think having more office hours time slots would be beneficial.

• I would tell Geetika to continue to structure class time around the academic needs of the students, but `narrow it down to what she felt was the most important material for exams in the week before exams.
